Requests Granted

From: Supervisor Sandoval

To: Director, Department of Parking and Traffic

Requesting/Inquiring: Inquiring of the Traffic Engineering Divisions placement of a loading zone at 4700 Mission Street. The absence of a yellow-zone has resulted in the repeated issuance of parking citations to the owners of Global Pilipino, as they load and unload goods in the course of their business operations.

From: Supervisor Maxwell

To: City Attorney

Requesting/Inquiring: To draft legislation to dedicate 33% of San Francisco's Proposition 63 Mental Health Funds for violence counseling and violence prevention activities.

The legislation would identify (1) counseling to children, youth and families who have been traumatized by violence and (2) violence prevention outreach to students in the San Francisco Unified School District as top priorities for the expenditure of these funds. In addition, it would ensure that the services provided through the legislation would be culturally sensitive, including outreach in multiple languages and by workers who reflect the communities in which they work.

050110 **[Public Hearing - Appeal of Categorical Exemption for 3775-21st Street]**

Hearing of persons interested in or objecting to the decision of the Planning Department dated January 10, 2005, Case No. 2004.0446V, approving both the front setback and rear yard variances for the revised third story addition at the existing two-story, single-family dwelling. The project site is located at 3775-21st Street, south side between Noe and Sanchez Streets; Lot 090 in Assessor's Block 3621 in an RH-1 (Residential, House, One-Family) District and Dolores Heights Special Use District and a 40-X Height and Bulk District.

The appellant challenges the grant of categorical exemption on the grounds that the variance in land use is not "minor" under the terms of the statute and that given the site location and history, the granting of categorical exemption is not appropriate because the project could have dramatic negative impacts to the environment of the immediate neighborhood and the Special Use District in which it is located. (Appellant: Stephen M. Williams, Law Office of Stephen M. Williams, Attorneys and Counselors at Law.)
